UNITED STATES INTELLIGENCE BOARD  
INTELLIGENCE INFORMATION HANDLING COMMITTEE

MEMORANDUM FOR: IHC Members

SUBJECT: Proposed DCID on Data Element and Code  
Standardization

1. Pursuant to the Committee's decision on 13 August 1969, a revised draft DCID on data elements and codes standardization is circulated for your approval. Also included for your approval is a draft memorandum which forwards a recommendation to the USIB.

2. The draft DCID incorporates changes suggested by the Committee. Paragraph 1 was changed to insert "interdepartmental" in place of "departmental". Paragraphs 5 (a) and 5 (d) were changed to reflect USIB approval of standards, the related features involved in standards, and that exemptions are applicable to USIB approved standards and not standards recommended by other programs.

3. Your concurrence or comment is requested by the close of business Friday, 29 August 1969. Contact the Executive Secretary on IDS number 143-5618 or (703) 351-5618. If responses are not received by CoB 29 August 1969, it will be interpreted as concurrence.
